- Discussion

## Neuigkeiten

- ARF is now RFC Standard (RFC 5965)
- Known Global Reporters
  - domainfactory
  - netcologne
  - KabelBW
  - woody.ch
  - cleanmx
- X-ARF is being used more and more

## Global Reporting – Next Steps

- Global Reporting as Community
- More data for a better view of things
- More data for a broader view of things
- More data for a autonomous view of things
- Bundle Knowledge and Resources

## X-ARF – Next Steps

- New Schemes (Phishing, Malware, ...)
- Your Ideas here?  
Send mail to [info@xarf.org](mailto:info@xarf.org)
- Put Specification into RFC Template
- Find new Reporters and Supporters

## X-ARF – Ideas and Cooperation

- Fail2ban Reporting Plugin (Python)
- IRT Documentation (RIPE Members)
- Support on Mailinglists (RIRs, maawg, ...)
- **Your ideas here!**
